

DUBAI AIRSHOW WAS RICH ON AWARDS FOR FAI AVIATION GROUP

News / Business aviation, Events / Festivals

Last week was rich on announcements in aviation industry due to Dubai Airshow. For FAI Aviation Group it became rich on Awards. The group was honored to receive Aviation Annual Achievement Award in the Anniversary Milestone category and The Recognition of its 10-year membership of MEBA. FAI Founder and Chairman, Siegfried Axtmann, proudly accepted both of awards on behalf of the company.

The Annual Aviation Awards were set up in 2015 to recognise the region's most innovative and inspirational organisations and individuals. The awards follow an application process which is judged by a committee. The winning entries are chosen based on unique and exceptional achievement that has contributed to the growth, efficiency, safety and advancement of the region's aviation industry.

Siegfried Axtmann said: “We are delighted to be honoured with such a prestigious award. It’s an outstanding achievement and fabulous to be recognised for our 30-year anniversary milestone. We have enjoyed a strong presence in the MENA region over the past 16 years. Our success and organic growth here reflects our company’s ethos - our continued commitment to our clients, first class service and medical excellence. I would like to congratulate our team of talented staff who put in a tremendous effort every day.”

Proudly accepting the award from Ali Alnaqbi, Founding and Executive Chairman of MEBA, Siegfried Axtmann said: “I am very pleased to accept this award and proud to have been a member of MEBA for 10 years. The Middle East represents an important region for FAI with some 20% of our activity taking place here. We look forward to continuing our support for MEBA in years to come.”

FAI is the world’s largest air ambulance jet operator by revenue, logging far above 10,000 hours per year flying air ambulance missions. It is also Germany’s largest Bombardier business jet operator, boasts a fleet of 25 jets and logged over 13,500 hours in 2018.

MEBA is a non-profit association established in 2006 with the mission to provide a platform for members of the business aviation industry in the MENA region and to gather, understand, and communicate the needs and benefits of the industry.
