

TAG AVIATION'S FARNBOROUGH MAINTENANCE SERVICES NOW OFFERS RAMP AIRCRAFT CLEANING AND DETAILING SERVICES

News / Business aviation

TAG Aviation's Farnborough Maintenance Services (TFMS) is pleased to announce that it now offers both full Aircraft Cleaning and Detailing Services on the ramp and at its base from its premium location based at Farnborough Airport.

To meet the growing demand from TAG Aviation's customers and ensure the widest range of services ramp and at its base from its premium location based at Farnborough Airport. To meet the growing demand from TAG Aviation's customers and ensure the widest range of services, in order to optimise efficiency and enhance overall customer satisfaction, TFMS has recently widened its on-site repair proficiencies. The newly introduced cleaning and detailing services come after the recent expansion of its range of business aircraft interiors' capabilities. Services now range from smart repairs to discreet cabinet refurbishments and interior modifications.

Line support services have also been strengthened with the setup of dedicated teams of engineers who are available seven days a week and supported by a Customer Support Administrator.

“As an experienced EASA Part 145 approved organisation, TFMS is proud to offer our customers these additional services. The TAG name is synonymous with quality and our detailers are all highly experienced and trained to operate in the vicinity of very high value assets, paying second to none attention to detail”, said Cyrille Pillet, Vice President Maintenance Operations, TAG Aviation Europe. “Advancing our scope of complementary services, such as Aircraft Cleaning and Detailing to better support our customers, is a further extension to our already wide-ranging suite of available maintenance services.”

The TFMS team of detailers has been reinforced and an additional van is now dedicated to providing this new service. Any Line or Base Aircraft Cleaning or Detailing request should be directed either by email to maintenance.london@tagaviation.com or by phone to the aircraft detailing Team Leader on +44 (0) 7387 261 472
