EAA AND WAI MARK 15 YEARS OF WOMENVENTURE

News / Events / Festivals

For the 15th year, women attending EAA AirVenture will enjoy a show within a show as a host of WomenVenture activities take place. EAA WomenVenture is an annual celebration of women from all facets of the aviation community with this year's event celebrating what it means to be bold in aviation.

Activities are scheduled during the week of EAA AirVenture Oshkosh to provide women the opportunity to connect with other women who love aviation and build camaraderie within the EAA and WAI communities. New this year at EAA AirVenture Oshkosh is a dedicated space for those looking to support women in aviation, the EAA WomenVenture Center. Located in Aviation Gateway Park, the EAA WomenVenture Center will feature exhibitors, including Women in Aviation International, and networking events to provide resources for women currently in aviation fields or seeking to be a part of the industry.
