

BALTIC AVIATION ACADEMY CHANGES NAME TO BAA TRAINING

News / Maintenance / Trainings

JSC **Baltic Aviation Academy**, aviation training centre, successfully operating in Europe, CIS and Asia regions, announced the change of its name to BAA Training Aviation Academy (BAA Training). **BAA Training** headquartered in Vilnius (Lithuania) counts more than 20 years of experience in aviation training business. Starting from the Pilot and Cabin Crew training, today training academy is offering full range of pilot Ab Initio and Type Rating, Cabin Crew, Ground Handling, Helicopter and Drone training solutions. In addition, due to the strong background in aviation business management and developed know-how, simulators maintenance (SimHelp) and aviation business management software (MOMook) solutions were developed and became a valuable part of aviation industry.
