

FINNAIR AND NORRA CHOOSE LTAA FOR CF34-10 MAINTENANCE

News / Maintenance / Trainings

Finnair and Nordic Regional Airlines (**NORRA**) have signed an exclusive long-term contract with Lufthansa Technik AERO Alzey (**LTAA**) for **maintenance** of Nordic Regional Airlines' **CF34-10** engine fleet.

Jari Huhtinen, VP technical operations at Finnair said "The CF34-10 MRO agreement will provide Finnair and Nordic Regional Airlines with pre-defined engine shop visit packages which support our operation and maintenance cost optimization over a long period of time".

This new agreement marks a further extension of the relationship between LTAA and Finnair which already includes a variety of MRO services and activities.
