

NEW PARTNERSHIP: JET MAINTENANCE SOLUTIONS AND BECKER AVIONICS

News / Business aviation, Maintenance / Trainings

JET MS has begun a partnership with Becker Avionics. “We are pleased to begin our partnership with Becker Avionics, a reputable and history-rich aircraft communication and navigation equipment producer. Our partnership is yet another step towards a wider and quality-oriented list of suppliers, available to Jet Maintenance Solutions clients. With further goals of strengthening the company’s global brand, we believe that continuous search of new partnerships will allow Jet Maintenance Solutions to excel, deliver high-quality services and provide an unmatched level of flexibility when it comes to aircraft maintenance and repair as well as in spare parts supply services.” – commented Vytis Zalimas, the CEO of Jet Maintenance Solutions.

NEW PARTNERSHIP

MR. DETLEF HAAG
CEO AT BECKER AVIONICS

MR. VYTIS ZALIMAS
CEO AT JET MAINTENANCE SOLUTIONS

“We are proud to announce our partnership with Jet Maintenance Solutions, looking forward to cooperate successfully and strengthen our mutual businesses on an international basis. With Jet Maintenance, we have found a reliable, highly professional and well known partner in the sector of maintenance and repair for private and business jets.”— stated Detlef Haag, the CEO of Becker Avionics.

Jet Maintenance Solutions is heavily focused on becoming a one-stop shop for all private and business jet maintenance and repair matters. Being the first provider of Bombardier CL604 7800 landings inspection and a noble name in design and fitting of luxury centered interiors, Jet Maintenance Solutions is constantly improving and extending its list of services available to custom tailored business and regional aircraft.
